Company Profile

Company background and history

XINGTAI HONGLEI SEAL MANUFACTURING CO.,LTD. registered trademark "KDIK" is senior manufacturer for global markets with more than 20 years experience. Our main product lines include: Automobile oil seal, Agricultural & Construction machinery oil seal, Wheel hub oil seals for tractors, Valve Stem Seals, Precision Rubber Parts, O-rings.

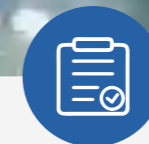

We also accept ODM or OEM design orders, focus on Top quality products with competitive price and best service.

XINGTAI HONGLEI SEAL MANUFACTURING CO.,LTD has top capacity for oil seal technical development, design and OEM processing. We introduce the most advanced production equipment in China and invest more precise production, inspection and automotive equipments to increase our competitiveness in sealing technology.

KDIK oil seals continuously accumulate our experience and knowledge from the communication and all projects to fulfill customers' demands and increase the quality of service.

Company advantages and characteristics

Precise Technology

Our product design and manufacturing adopt international advanced technology to ensure excellent performance and stability.

Abundant Inventory Stock

Our factory has a large inventory of spot goods, with a wide variety of categories and models for you to choose from.

OE Quality Level

Our requirements for quality are always very strict, and each of our products must undergo multiple rigorous tests and quality inspections.

Customer first

Our company adheres to the business philosophy of "customer-first", and our products and services have always been based on the needs of our customers.
